

Table Designs

11445 PYRAMID DRIVE ODESSA, FL 33556 (727) 375-1212

Warranty:

Table Designs warrants its products to be free from factory defects for a period of 1 year from date of shipment. The warranty will not apply to products that are damaged by freight, accident, improper use, neglect or improper storage. Table Designs reserves the right to inspect the defective tabletops and can exercise the right to repair or replace at our discretion. Any claims need to be made prior to the expiration of the warranty period.

Table Cleaning:

- To ensure this product will continue to meet your needs for several years, here are some suggestions / recommendations for proper care and maintenance for your handcrafted tabletops.
- Clean tops with dampened soft cloth. Common dishwashing soap and water and most general purpose wood cleaners are acceptable; please test any questionable products in an inconspicuous location first. Do not use products that contain ammonia, degreasers, bleach or abrasive cleaners.
- Clean up spills immediately, avoid excess water and moisture that can damage wood or wood finishes. Keep surfaces dry.
- Clean tops with dampened soft cloth. Common dishwashing soap and water and most general purpose wood cleaners are acceptable; please test any questionable products in an inconspicuous location first. Do not use products that contain ammonia, degreasers, bleach or abrasive cleaners.
- Do not use abrasive plate-ware, cups, or any materials and finishes. To find out more regarding the finish and possible questions you may have, please visit our website and view our warranty cleaning:
<https://tabledesigns.com/warranty>
- Avoid extremes in temperature and humidity which can cause wood and core materials to expand and contract. Keep tables away from intense sunlight or near heat sources (fireplaces or hot air vents). Tops are for use in conditioned environment and are not warranted for outdoor use (unless specific outdoor tops are purchased).

Base Cleaning:

- For bases with a textured, wrinkle, or hammer tone finishes/powder coat, remove dirt by brushing with a soft bristle dry brush.
- For polished powder coat finishes, wipe down with a damp cloth and use a light soap and water mixture for stubborn stains and grease marks. If the finish is chipped, a touch up paint should be used to prevent further chipping and corrosion.
- For wood bases, please use a damp cloth and dry immediately after cleaning.

Note: Improper Care will void the Manufacturer's Warranty of this product:
